LES PARCELLAIRES DE SAULX

« Les Parcelles de Saulx is a micro « Maison Haute Couture » with the same owner and the same spirit than Domaine de la Commaraine and Domaine Belleville. This Maison produces only single parcel cuvée, no blend, coming from high quality winegrowers mainly in biodynamic. »

Pernand Vergelesses les Parcelles de Saulx is the highest score (17+) in Pernand Vergelesses.

17.5

Les Parcellaires de Saulx - 2017 Volnay

Loads of glossy black fruit with modern, sweet oak spice. Full of flavour and richness – absolutely delicious, and delivers ample flavour for the price. Great concentration and fragrance on the finish.

17+

Les Parcellaires de Saulx, Morgeot Premier Cru 2017 Chassagne-Montrachet

Sweet oak scent with vanilla and cinnamon scent and ripe, cooked-fruit character. Smooth, creamy, soft acidity. Powerful and rich.

17+

Les Parcellaires de Saulx - 2017 Pernand-Vergelesses

Biscuit, banana, baked apple and sweet spice and a touch of minty herb character too. Beautifully layered and luxurious, and while the finish has a slight hoppy note that seems vaguely oxidative, the amount of flavour on display is really good for this price.

17

Les Parcellaires de Saulx - 2017 Morey-St-Denis

Tighter and more savoury than their Volnay, but with the same impressive persistence and focus to the fruit. Long, spicy length. Warm on the finish.

17

Les Parcellaires de Saulx - 2017 Gevrey-Chambertin

Overripe fruit that is almost more like Rhône Grenache than Burgundy! Very much a product of a hot vintage. The palate is similarly candied, although it has a savoury finish with finely milled tannic texture, and a good dose of acidic refreshment too.
