GEVREY CHAMBERTIN
1^{ER} CRU "FONTENY"

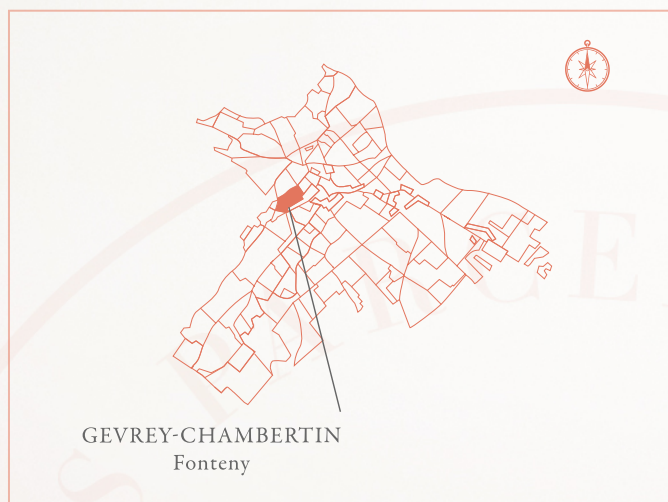

INTENSE AND DISTINGUISHED

THIS "CLIMAT"

"Fonteny" comes from the Old French "Fontanille", which means "little spring". Today the spring that is close to the "Fonteny" Climat is not particularly impressive, but in the 19th century it caused significant flooding.

TERROIR

The location at the foot of the slopes benefits from generous, calcareous soil.

TASTING

Appearance: Dark garnet

Bouquet: Powerful, precise and fresh with complex notes of black and red fruits combined with menthol, citron and spice nuances, a very elegant, pleasing extraction.

In the mouth: Pleasantly fresh, very elegant, suave and fleshy flavour with very silky tannins, mineral purity and an intense and rich finish with spicy notes.
